CAUSE 2:- **St. MARY'S COMMUNITY NAVE** * = Planning is a foot to convert the nave in St Marys Church into a more community friendly area to include meeting rooms and toilets. Although a couple of years away once completed this money will go towards equipment and furnishing to enable the community to benefit.

CAUSE 3:- **STREET PLANTERS** * =You will have noticed an increase in floral street decoration and tubs brought about by the efforts of the BLOOMERS team, your support would enable this work to continue.

CAUSE 4:- **PICNIC IN THE PARK** * = This annual free event bringing us all together on the Recreation Ground is 75% self funding. The contributions from CLUB 800 members is an essential part of this funding going a long way to ensuring the continuation of this popular annual event and proof of its local support.

CAUSE 5:- **SNOWBELL WALK** * = In February this year Volunteers and Children of Godmanchester will have started planting 3500 snowdrops along the river bank between our new sets of willows. At the same time 2000 English Bluebells will be planted as a test bed to see if it is possible to create a bluebell meadow under the trees on the recreation ground. The initial funding has come from the Town Council, it is hoped money raised in the Community will enable a second planting in the Autumn and beyond with the aim of creating an impressive floral display for all to wander along.

CAUSE 7:- **THE POLLARDING SOCIETY** * = Your support so far has enabled very useful equipment to be bought enabling our 10 New Willows to be nurtured ensuring their successful addition to our community. The team have also been doing long needed maintenance of the river banks and using this equipment for the general benefit of the recreation ground such as hosing down the mud caked play areas after flooding. With the arrival of the relentless PENNYWORT in our river the rec. will be needing ongoing support in all areas.
