## LAST REMAINING SHARES AVAILABLE NOW

**JOHN D'EATH**

WINS **£ 300**

When requested to renew at the end of last season the gent holding this lucky number declined as he hadn't won anything ! John kindly took over the unwanted shares and Bingo his cup runneth over. Well done and thanks for the support John you retired folk need all the help you can get ! Even if may it may attract begging letters !

**DAVID BROWN**, grateful for his 1st and 2nd place wins last season added an additional 5 club 800 shares to his portfolio this season, being the generous chap he is. We joked his next win would be 3rd! Well it wasn't it was another £ 60 second prize! Well done and thanks David you are a star .They say you have to speculate to accumulate. We have the last 40 shares spare if anyone wants to ?

**CANON JONATHAN YOUNG**

has a very thoughtful wife . When Sue contacted me to renew their shares she asked for additional but made me promise not to confirm to Jonathan as they were to be a surprise birthday present. Winning the £ 20 3rd prize was also a pleasant surprise !!
