CAUSE 2:- **St. MARY'S FLOOR RESTORATION \*** = the floor of the room above the South Porch of our St Mary's Church is in desperate need of replacing . The room is used for important storage and needs funds to cover the work on this historic building.

CAUSE 3:- **TREES IN A TUB\*** = the Town Council in conjunction with the Godmanchester in Bloom team are about to install a tub holding a tree at the corner of West Street & the Causeway to greenify the area where planting is not possible . It has been suggested that there are other areas in our Town which could benefit from this approach hence CLUB 800 members are invited to donate to an additional tree in a tub.

CAUSE 4:- **PICNIC IN THE PARK \*** = if last years support by you continued (£2040) this would go a long way to ensuring the continuation of this popular annual event + add proof of its local support.

CAUSE 5:- **GMC COOKERY & CRAFT GROUP \*** = = Mencap have a small community of people with learning disabilities learning to live in our community. They are learning skills such as cooking, sewing and knitting. A spin off to this has been the increasing involvement of our local elderly who enjoy joining in & passing on the domestic skills they possess, this has the added benefit of getting them out & involved. The group meets at the Community Lounge, Rectory Gardens, a true Community activity needing material support.

CAUSE 7:- **THE POLLARDING SOCIETY \*** = replacing the Amphitheatre project rejected by the council and now with no prospect of Lottery funding. With replanting and rejuvenation still needed and being planned the historic relevance of Pollarded Willows is still important . To ensure their inclusion YOU are invited to support the maintenance of 10 of these along the river bank facing Portholme as part of the rejuvenation.
