Petition to maintain funding for Picnic in the Park

Greetings,

I've just signed the following petition addressed to: Godmanchester Town Council.

Maintain funding for Picnic in the Park

Picnic in the Park began as part of Godmanchester's Millennium Celebrations in 2000, and has been held every year since. As of 2012, the town council's funding of this celebration has gradually decreased to £4,000 in 2012, leaving £7,000 to be raised by public donations. The Town council will be evaluating the budget for grants later in the year, with the potential outcome of no funding at all for Picnic in the Park and £11000 to find to keep it going. As community members and those with links to the town, we request that the council continue this grant to ensure that Picnic in the Park can continue.

Sincerely,
